Office of the President of Municipalities,
Tumkur District.

Dated, Tumkur, 30th April 1913.

From.

V.R. Thyagaraja Iyer, Esq., W.A.

President of Municipalities, Tumkur District.

To.

K.R. Srinivasalingar, Esq., W.A.

Offg. Secretary to the Government of

His Highness the Maharaja of Mysore,

General and Revenue Departments.

Sir,

In accordance with the Government Order No. 3781-2 dated the 20th June 1912, sanctioning the lighting of the Tumkur Town by the Departmental Agency tentatively for one year from 1st July 1912 and calling for a report at the end of April 1913, on the working of this system., I have the honour to state that though there ^{has been} a slight increase in the expenditure as compared with that of lighting by contract system, the present system of lighting is considered to be more efficient and satisfactory.

2 At present no lamps in the Municipality are lit for a certain number of days during the bright half of the month, which appears to have inconvenienced the public who have complained in the matter.

On the 25th instant the Municipal Council was informally consulted in the matter and the Council was of opinion that the present system of lighting might be continued for another year, with the additional convenience of wicketime lighting during the nights throughout the months of the year.

This proposal may kindly be given a fair trial for a year at least before any other course is adopted.

In these circumstances, I request that sanction of Government
